

Proves that the ID is checked

- Reduces Liability
- Forces Cashier / Employee to follow procedures
- Creates a log within video recording

The i-Checked is ideal for any application where the age and/or identity of the customer must be checked.

- Bars
- Night Clubs
- Cigarette Sales
- Liquor Stores
- Gun Shops
- Rental Car Counters
- Explosives Sales
- Fertilizer Sales

The i-Checked is easy to install in a new or existing CCTV system.

The standard Alarm output links to DVR to provide a record of each ID checked in the DVR's event list.
